Forest Heights (Edmonton), Edmonton, AB

Well this is a no brainer. The house as been meticulously cared for which will be obvious when you view it. Great shape. Upstairs is quite spacious and the windows keep it nice and bright. The bedrooms are all nice and large, no one is getting stuck in the tiny room. The important things have been upgraded and that touch of character makes it feel like home. Downstairs has its own fully separated entrance and lockable door, great for privacy. The second kitchen is plenty large enough to work in. The windows for the basement are raised up so the natural light down there is very comfortable and bright. A big double garage in the back with a nice sized yard is exactly what you need. As far as the location goes, it's premium. You can walk to the river valley through a beautiful and safe neighbourhood down tree lined streets. Downtown is a short commute even in rush hour. This is as good as it gets!
